### MINUTES

AGENDA ITEM Time: 12.40pm - 1.05pm	CHAIR
<b>1. Attendees</b>	DC
David Chan, Connie Diakos, Bryan Chan, Kate Wakelin	
<b>2. General updates on existing projects</b>	DC
<ul style="list-style-type: none"> <li>David discussed action on guidelines and cardio-oncology project. Guidelines increasingly recognised, manuscripts being prepared. Cardio-oncology project making good progress under the leadership of Jennifer Lim and Daniel Chen.</li> <li>COSA NEN Guidelines likely due for a refresh around 2028. Bryan suggested it might be a good opportunity to ask for support at that point.</li> </ul>	
<b>3. Plans for the COSA NET Group for the next few years</b>	DC
<ul style="list-style-type: none"> <li>As the COSA guideline project draws to an end, the COSA NET Group can either initiate new research or focus more on advocacy etc (i.e. be less active)</li> <li>Kate: Erin Laing and others - nutritional screening tool - potential collaboration with ASPERT</li> <li>Such multidisciplinary research may also provide room for participation from less central sites (e.g. Sunshine Coast)</li> <li>Connie: NETs ripe field for research and multi-D research very relevant under COSA umbrella</li> <li>Bryan: Psychology?</li> </ul>	
<b>4. Leadership</b>	DC
David nearing end of term as per COSA Council recommendations. Looking for succession planning. Very happy to stay involved but recognise need to keep group viable in this way. Consider refresh of Executive team in coming 12 months and transition into new lead.	
<b>5. Other Business</b>	DC
